Justin Maxwell
Re: Termination of Employment

Dear Justin

This letter serves as a Termination Statement regarding your termination of employment, effective May 16, 2008.

By your last date of employment, you are required to return all Company property, including, but not limited to, your laptop computer, pager, badge, keys, company calling card, and all company confidential materials. Let me take this opportunity to remind you of your continuing obligations of confidentiality under the "At Will Employment, Confidential Information, Invention Assignment, and Arbitration Agreement" that you signed on September 17, 2007. In this agreement you also agreed to sign and deliver the attached "Termination Certification" upon termination of your employment. Please do so and return to me in the self-addressed, stamped envelope provided.

Your group health coverage, if applicable, will end at the end of month in which you terminate your employment with Theranos. If applicable, you will receive further notification of your rights to continue your insurance as well as the appropriate election forms.

If you have any questions or concerns, please do not hesitate to call. We wish you luck in your future endeavors.

Sincerely,
